

Marketing & PR

SARIO promotes Slovak investment and entrepreneurial environment at international investment and trade forums, seminars, and trade missions organised by the Agency itself or in cooperation with foreign chambers of commerce, embassies, or industrial associations. SARIO representatives are in constant communication with foreign diplomats, representatives of foreign chambers of commerce and Trade and Economic Sections (OBEO) of the Ministry of Economy of the Slovak Republic abroad in order to provide them with an up-to-date information on Slovak investment and trade environment via newly published materials and presentations.
